

IN-FOCUS - MAY DANCE

THURSDAY 14 JUNE 2018

ISSUE 77

WELCOME TO OUR 2018 MAY DANCE
SPECIAL INFOCUS EDITION.

We had a superb afternoon of dancing to end Term 5 with each class recreating the style and flair of a well-known dancing legend.

Well done to our May Queen and May King, Lottie Eldred and Tyler Moss who led the proceedings so well. They were ably supported by the May Attendants, Callum Kenny and Fearn Cumming who wanted to be renamed May Prince and May Princess!

Please do take the time to look through this special edition as every child performed well and had their 'chance to shine'.

THIS YEAR'S THEME
WAS DANCE LEGENDS
AND EACH CLASS
PERFORMED A DANCE
BY A DIFFERENT
DANCING LEGEND

ASH CLASS AND PRESCHOOL TINA TURNER

It was hard not to join in this exciting and fun number. Ash Class and Preschool performed a classic Tina Turner track, copying some of her famous moves. They began with a slow movement but then erupted into fun and fast moves! Well done to our youngest children who started the afternoon's dancing and set the standard.

BEECH CLASS SHAKIRA

Beech Class performed a belly dance, using their hands and bodies to recreate moves made popular by Shakira. They looked very colourful in their bright costumes, colourful waist scarves and bangles. Well done Beech Class.

CEDAR CLASS SATURDAY NIGHT FEVER

Many a broad smile accompanied this fabulous dance. The costumes alone impressed the audience! With exciting and intricate moves, Cedar Class certainly made many feet tap. Well done!

OAK CLASS ABBA MAYPOLE

We had a mix of the traditional meets the contemporary as Oak Class danced around the May Pole to a medley of Abba Classics. In a surprise twist, they invited pupils, teachers and the Mayor of Oakham to join in a skip around the May Pole. Superb dancing Oak Class!

REDWOOD CLASS MICHAEL JACKSON

Redwood were certainly not Bad at dancing to this Michael Jackson classic. With cool moves, including the iconic hat tilt and moon walk, the children performed superbly. We even had our own 'Michael' leading the dance. Well done.

SILVER BIRCH CLASS VOGUE

With poise and sophistication, Silver Birch brought the well-known Madonna top hit 'Vogue' to life. With their 'suited and booted' style, and stylish moves they captured the essence of this classic dance. They were certainly 'in vogue'.

WILLOW CLASS SINGING IN THE RAIN

They were not only singing in the rain, but dancing in the rain. This gentle and beautiful song ended the May Dance perfectly. Using the umbrella as props, our oldest children showed off their dancing skills in this delightful number. To add to the dance, we had a fabulous tap solo by Gracie. What a wonderful end to the show.
