3.1 Ordering of examinations materials

3.1.1 The ordering of required materials will be completed by Head of School and will be verified by the Executive Principal.

3.2 Checking and storing of examinations materials

3.2.1 When delivered, a senior teacher and administrator will check all materials are correct and sign the checklist. A senior leader and another staff member will then take materials to Catmose College to be locked in the examination materials store. Once administered, the papers will be collated and securely stored.

3.3 Examinations administration

3.3.1 Papers will be collected from the examination materials store for which the keys are kept in a locked facility, when needed before each examination, and staff will witness them being opened and given to each child. Examinations will be taken with each child seated at an individual table, spaced to ensure that each pupil cannot look at other papers. No talking will be allowed. If a student is unable to sit a test paper (e.g. due to absence at the time of the test) arrangements should be made for the pupil to do this at the earliest opportunity. If this proves to be

difficult, the Head of School should be made aware. Notification will be made to the STA if required.
