

# YEAR ONE BEECH CLASS

## CURRICULUM

### ENGLISH

READING

At Catmose Primary, we aim to equip pupils with the knowledge and understanding of how to be fluent readers who have the ability to read with prosody when they leave Y6. Our reading curriculum from EYFS to Y6, provides the teaching and application opportunities to guide pupils through each important step in their learning of how to read fluently.

In the Early Years, English is known as Communication, Language and English and is one of 6 areas of learning taught on a daily basis, through the indoor and outdoor learning environments. This indoor and outdoor learning is continued into KS1.

In the Early Years and KS1, we lay the foundations to enable children to want to be successful readers and writers. We aim to make the learning in English as 'real' to the children as possible, as without a true purpose the children will not see the reason for reading and writing.

At Catmose Primary, we follow our own Systematic Synthetic Phonics (SSP) Programme, using Q Phonics actions and handwriting stories to ensure consistency in pupils' learning of Grapheme Phoneme Correspondences (GPCs). To see our Phonics Progression document, please <u>click here</u>. In EYFS and KS1, pupils have daily Phonics lessons (which lead into spelling lessons in Year 2 and into KS2) following the same lesson structure of Review, Teach, Practise and Apply. Pupils are exposed to range of literature during English lessons, which are in addition to Phonics sessions.

Our colour banded reading books are from Badger Learning which ensures consistency in allocation to bands. Banded reading books in EYFS and KS1 link to the different phonics phases to ensure that pupils have the prior knowledge to be able to access to book independently.

## WRITING

Our writing curriculum is designed to develop fluent writers who can confidently share ideas and engage the readers. There are many aspects to writing that we ensure to give balance to throughout pupils' time at Catmose Primary.

In EYFS and KS1, through the teaching of phonics, pupils develop a good understanding of sounds that are applied to writing. Handwriting is taught and practised from Y2 onwards, allowing for EYFS and Y1 to fully perfect initial letter and sentence formation.

The grid below shows our genre coverage. Year groups will revisit previous genres and write more than what is stated below; this is our core coverage to ensure pupils learn about and write in a broad range of text types. We use the Primary Literacy Trust's progression in fiction and non-fiction writing documents to ensure there are increased expectations in each genre at different stages. National Curriculum objectives are cross-referenced to ensure coverage, along with Pie Corbett's Talk for Writing progression in writing document for year-by-year Grammar and Punctuation terminology and coverage.

Exciting and engaging stimuli are chosen for writing, often linked to the termly wider curriculum topics. This provides pupils with an enthusiasm to write and an opportunity to deepen and apply their learning from across the curriculum.

Genre coverage:

	Fictional narrative	Non-fiction	Poetry
Y1	Traditional Tales and Fairy Tales; Play scripts; Adventure; Fantasy	Recount; Explanatory; Discussion; Instructional	Structured: Acrostic, Question and Answer; Visual poems

#### MATHS

The school uses the White Rose curriculum which ensures a clear sequence of lessons which allows for a return to key unites of work throughout the year (a spiral curriculum) Number is focused upon as the building block of early Mathematics.

#### RE

The following religious festivals and celebrations are focused upon each year. Children meet 6 faiths each year, building upon prior learning. Lessons focus upon learning about and learning from religion and beliefs, relating to own experience. Comparisons are drawn between key religious celebrations and events with the practices of humanist beliefs.
